8 **UNITED STATES DISTRICT COURT**  
9 **SOUTHERN DISTRICT OF CALIFORNIA**  
10

11 D. HAYGOOD,

12 Petitioner,

13 vs.

14 JAMES WALKER, Warden,

15 Respondent.

Civil No. 08-0374 JAH (BLM)

**NOTICE REGARDING POSSIBLE  
DISMISSAL OF PETITION FOR  
FAILURE TO EXHAUST STATE  
COURT REMEDIES**

16 On February 27, 2008, Petitioner, a state prisoner proceeding pro se, filed a petition for  
17 writ of habeas corpus under 28 U.S.C. § 2254. [Doc. No. 1.] On March 5, 2008, this Court  
18 dismissed the case for Petitioner's failure to either pay the filing fee or move to proceed in forma  
19 pauperis, name a proper Respondent, and submit a Petition on a court approved form. [Doc. No.  
20 3.] On April 1, 2008, Petitioner filed a First Amended Petition ("FAP") properly naming James  
21 Walker, warden, as Respondent [Doc. No. 4] and moved to proceed In Forma Pauperis. [Doc.  
22 No. 5.] On April 4, 2008, this Court granted Petitioner's motion to proceed in forma pauperis.  
23 [Doc. No. 6.]

24 In the present FAP, Petitioner has not alleged exhaustion as to claims 1, 2, 4, and 6. (See  
25 Pet. at 5, 13, 59, 62.) Having preliminarily determined the petition contains unexhausted  
26 claims, the Court notifies Petitioner of the possible dismissal of his petition.

27 //

28 //

The exhaustion requirement is satisfied by providing the state courts with a “fair opportunity” to rule on Petitioner’s constitutional claims. Anderson v. Harless, 459 U.S. 4, 6 (1982). In most instances, a claim is exhausted once it is presented to a state’s highest court, either on direct appeal or through state collateral proceedings.<sup>1</sup> See Sandgathe v. Maass, 314 F.3d 371, 376 (9th Cir. 2002). The constitutional claim raised in the federal proceedings must be the same as that raised in the state proceedings. See Anderson, 459 U.S. at 6.

Here, Claims 1 and 2, asserting ineffective assistance of trial counsel (FAP at 5, 13), Claim 4 asserting violations of Petitioner’s federal due process rights (Id. at 59), and Claim 6 alleging there was insufficient evidence to support his conviction (Id. at 62) do not appear to have been exhausted.

## 2. PETITIONER’S OPTIONS

To avoid the Court dismissing the petition on its own accord, Petitioner may choose one of the following options.

### i) First Option: Demonstrate Exhaustion

Petitioner may file further papers with this Court to demonstrate that he has in fact exhausted the claims the Court has determined are likely unexhausted. If Petitioner chooses this option, his papers are due no later than **May 13, 2008**. Respondent may file a reply by **May 26, 2008**.

### ii) Second Option: Voluntarily Dismiss the Petition

Petitioner may move to voluntarily dismiss his entire federal petition and return to state court to exhaust his unexhausted claims. Petitioner may then file a new federal petition containing only exhausted claims. See Rose v. Lundy, 455 U.S. 509, 510, 520-21 (1982) (stating that a petitioner who files a mixed petition may dismiss his petition to “return[] to state court to exhaust his claims”). If Petitioner chooses this second option, he must file a pleading with this

---

<sup>1</sup> 28 U.S.C. § 2254 (b)(1)-(2) states:

(b) (1) An application for a writ of habeas corpus on behalf of a person in custody pursuant to the judgment of a State court shall not be granted unless it appears that -

(A) the applicant has exhausted the remedies available in the courts of the State; or

(B)(i) there is an absence of available State corrective process; or (ii) circumstances exist that render such process ineffective to protect the rights of the applicant.

(2) An application for a writ of habeas corpus may be denied on the merits, notwithstanding the failure of the applicant to exhaust the remedies available in the courts of the State.

1 Court no later than **May 13, 2008**. Respondent may file a reply by **May 26, 2008**.

2 Petitioner is cautioned that any new federal petition must be filed before expiration of the  
3 one-year statute of limitations. Ordinarily, a petitioner has one year from when his conviction  
4 became final to file his federal petition, unless he can show that statutory or equitable “tolling”  
5 applies. Duncan v. Walker, 533 U.S. 167, 176 (2001); 28 U.S.C. § 2244(d).<sup>2</sup> Filing a petition  
6 in federal court does not stop the statute of limitations from running. Id. at 181-82; Frye v.  
7 Hickman, 273 F.3d 1144, 1145-46 (9th Cir. 2001); 28 U.S.C. § 2244(d).

8 **iii) Third Option: Formally Abandon Unexhausted Claims**

9 Petitioner may formally abandon his unexhausted claims and proceed with his exhausted  
10 ones. See Rose, 455 U.S. at 510, 520-21 (stating that a petitioner who files a mixed petition may  
11 “resubmit[] the habeas petition to present only exhausted claims”). If Petitioner chooses this  
12 third option, he must file a pleading with this Court no later than **May 13, 2008**. Respondent  
13 may file a reply by **May 26, 2008**.

14 Petitioner is cautioned that once he abandons his unexhausted claims, he may lose the  
15 ability to ever raise them in federal court. See Slack v. McDaniel, 529 U.S. 473, 488 (2000)  
16 (stating that a court’s ruling on the merits of claims presented in a first § 2254 petition renders  
17 any later petition successive); see also 28 U.S.C. § 2244 (a)-(b).<sup>3</sup>

18  
19 <sup>2</sup> 28 U.S.C. § 2244 (d) provides:

20 (1) A 1-year period of limitation shall apply to an application for a writ of habeas corpus by a person in  
custody pursuant to the judgment of a State court. The limitation period shall run from the latest of--

21 (A) the date on which the judgment became final by the conclusion of direct review or the  
expiration of the time for seeking such review;

22 (B) the date on which the impediment to filing an application created by State action in violation  
of the Constitution or laws of the United States is removed, if the applicant was prevented from filing by  
such State action;

23 (C) the date on which the constitutional right asserted was initially recognized by the Supreme  
Court, if the right has been newly recognized by the Supreme Court and made retroactively applicable to  
cases on collateral review; or

24 (D) the date on which the factual predicate of the claim or claims presented could have been  
discovered through the exercise of due diligence.

25 (2) The time during which a properly filed application for State post-conviction or other collateral review  
with respect to the pertinent judgement or claim is pending shall not be counted toward any period of  
26 limitation under this subsection.

27 <sup>3</sup> 28 U.S.C. § 2244(b)(2) provides that a claim presented in a second or successive habeas corpus application under  
28 § 2254 shall be dismissed unless:

(A) the applicant shows that the claim relies on a new rule of constitutional law, made retroactive to cases  
on collateral review by the Supreme Court, that was previously unavailable; or

(B) (i) the factual predicate for the claim could not have been discovered previously through the exercise

1 **iv) Fourth Option: File a Motion to Stay the Federal Proceedings**

2 Petitioner may move to stay this federal proceeding while he returns to state court to  
 3 exhaust his unexhausted claims. *See Jackson v. Roe*, 425 F.3d 654, 660 (9th Cir. 2005)  
 4 (interpreting *Rhines v. Weber*, 544 U.S. 269 (2005) as permitting a district court to stay a mixed  
 5 petition while the petitioner returns to state court); *Valerio v. Crawford*, 306 F.3d. 742, 770-71  
 6 (9th Cir. 2002) (en banc); *Calderon v. United States Dist. Ct. for the N. Dist. of Cal.*, 134 F.3d  
 7 981, 986-88 (9th Cir. 1998). If Petitioner chooses this fourth option, he must file a pleading with  
 8 this Court no later than **May 13, 2008**. Respondent may file a reply by **May 26, 2008**.

9 **3. CONCLUSION**

10 The Court **NOTIFIES PETITIONER THAT HE HAS FILED A PETITION THAT**  
 11 **CONTAINS BOTH EXHAUSTED AND UNEXHAUSTED CLAIMS AND IT IS**  
 12 **THEREFORE SUBJECT TO DISMISSAL.** If Petitioner fails to respond to this Order, the  
 13 Court will recommend to the District Judge assigned to this case that the Petition be dismissed  
 14 without prejudice.<sup>4</sup> *See Rose*, 455 U.S. at 522.

15 **IT IS SO ORDERED.**

16 DATED: April 10, 2008

17 

18 BARBARA L. MAJOR  
 19 United States Magistrate Judge

20  
21  
22  
23  
24  
25  
26 of due diligence; and

27 (ii) the facts underlying the claim, if proven and viewed in light of the evidence as a whole, would be  
 28 sufficient to establish by clear and convincing evidence that, but for constitutional error, no reasonable  
 factfinder would have found the applicant guilty of the underlying offense.

<sup>4</sup> Although the dismissal is "without prejudice," Petitioner is again cautioned that any later federal petition may be barred by the statute of limitations. *See* 28 U.S.C. § 2244(d)(1)-(2); *see also* footnote two of this Order.
